

Principles of protecting personal data

These principles of personal data protection inform you of how we handle your user information. If you do not agree with these conditions, you will not be able to register on the AdsTrader.org website.

These principles of personal data protection are divided into the following categories:

1. Cookies/JavaScript

1.1 Your browser must accept cookies and JavaScript.

1.2 Cookies will be used only for storing your preferences.

2. User e-mails

2.1 The e-mail you provide will not be displayed or sold to anyone.

2.2 Your personal e-mail address will be used exclusively for communication between you and us, or in the event that you request us to send you a new password.

2.3 Under no circumstances should you respond to e-mails requesting you to send your password, information on your account or anything concerning your person via e-mail. We do not send our members unauthorised e-mails.

3. User password

3.1 Your password will be saved in an irreversible format.

3.2 Your user password will never be displayed, sold or donated.

4. Advertisements

4.1 AdsTrader.org is not responsible for the contents of any advertising campaign displayed on the AdsTrader.org website. This applies to all information contained within the advertising campaign.

4.2 Clicking on the advertisement link, clicking on the contents within the advertising website, likewise browsing its contents is solely your responsibility only.

4.3 The advertiser is responsible for all advertising campaigns, which must conform to the Conditions for use and the Principles of privacy protection of AdsTrader.org.
